

## Leader Guide

### 2019-2020—Season 25

As we move into the final three months of the school year, we celebrate Easter and prepare for confirmations, graduations and year-end activities. Thank you for celebrating 25 seasons of *Kids Connection* with us! And for sharing your many MY SCHOOL stories. Keep them coming! Tell us what is unique about your grade school, Sunday school, early childhood, etc. We would also like to include MY SCHOOL PICTURES next season! Stay tuned . . . send MY SCHOOL emails to [kidsconnection@wels.net](mailto:kidsconnection@wels.net).

A continued thank-you to Northwestern Publishing House for running our subscription services. If you are not a subscriber, you can go directly to the *Kids Connection* page: [wels.net/kidsconnection](http://wels.net/kidsconnection). Click on the red Subscribe Now button. Please contact [laura.schulz@wels.net](mailto:laura.schulz@wels.net) for subscription assistance.

It is our continued prayer that *Kids Connection* and the gospel it shares will encourage you and your students to stay connected to each other, to others in WELS, and, most importantly, to Jesus.

## MARCH 2020

This month we share two more MY SCHOOL stories—both involve food for our bodies that provides opportunity to share God’s food for our souls. First, an early snowfall turned “Bake, Rake, and Take” into something a little different. But, students persevered, getting out into their community and serving others.

In our second story we received an email from Grace who was excited to share how she and her classmates are involved in their church’s food pantry.

Finally, Pastor Tony Schultz hits us with the reality of all kinds of sin, yet the abundance of grace from 1 Timothy.

**“A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another” (John 13:34,35).**

### QUESTIONS TO SPARK DISCUSSION

**What’s your favorite thing to do in the snow?**

**What Bible passage would you share with someone who doesn’t know Jesus?**

---

## APRIL 2020

In April we celebrate Easter! And in this month’s episode we celebrate God’s miracle of growth and grandparents.

In our first story we visit Mt. Olive, Appleton, WI, where they received a hydroponics system as a gift. It not only provides food for the students, but it also teaches lessons about growing food and growing faith!

Next, students welcome their grandparents for a school day filled with appreciation, hugs, and fun!

Finally, Pastor Tony Schultz reminds us of Titus chapter 3 and our washing of rebirth and renewal by the Holy Spirit through baptism.

**“So, neither the one who plants nor the one who waters is anything, but only God, who makes things grow” (1 Corinthians 3:7).**

### QUESTIONS TO SPARK DISCUSSION

**If you could grow any food, what would you choose?**

**What is your favorite thing to do with your grandparents?**

---

## MAY 2020

For most of us, May means the end of another school year. Maybe you will go to some kind of sports or music camp this summer? This month we visit a different kind of camp. It’s a STEM camp where kids are learning about science, technology, engineering, and math as well as how God is the creator and ruler of all!

Then, we have a special treat: some advice for our older viewers who are moving on to another school. We think you’ll enjoy it!

Finally, Pastor Tony Schultz has a message of forever freedom from Philemon.

**“The heavens declare the glory of God; the skies proclaim the work of his hands” (Psalm 19:1).**

### QUESTIONS TO SPARK DISCUSSION

**What are you going to do this summer?**

**What advice would you give to a sibling or friend going to high school next school year?**
