

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.

Ephesians 3:20-21

20/20 Vision: See His Power Better

Your mind is a powerful thing. It can solve mathematical equations without a pencil or paper. It can identify danger on the road so that without a conscious thought you swerve and slam on the brakes. Your mind is working even when you might not be aware it.

Consider this: Do you have to think in order to scroll down this devotion, or is it just happening? Do you have to think in order for your lungs to expand or contract so you can breathe, or does it just happen? Your mind is a powerful thing.

Now use that mind of yours. Take a moment and try to *imagine* what God can do in your life!

The creative and creating God who made this entire universe is powerful and beyond imaginative. Your powerful God set boundaries for the oceans and planted the mountains where they are.

In addition to his power, he is wise beyond our knowing. The wisdom of God is higher, wider, deeper, and longer than we could ever know. "Who has known the mind of the Lord or who has been his counselor?" (Romans 11:34) He alone knows what is truly wise and good.

God is full of a deeper love than our minds can begin to fathom. We can talk in great detail about the love of God that sent his Son to the cross, forgives all our sins, and cares for us as only a Father can. We can describe his love, but we can hardly begin to fathom how long, wide, deep, and high his love for us is.

Try to imagine what God can do. Now, multiply that by *immeasurably more*. That's what God HAS already done for you! You can't even begin to know what God is doing in your life by his power. That's what he promises he can do for you, in you, and through you in your future life!

No one knows what that will look like in your life. But God's working will be good because it is done for our good. Our God can do *immeasurably more*, and he wants to because of his deep love for us.

Prayer: Father, teach me to trust you. When I don't know what is going on in my life, when I don't understand your ways, when things don't go my way, teach me to lean on this promise: You can do immeasurably more than all I ask or imagine. Because you love me, do what is best for me. Teach me to trust you. Amen.
